PQM Consultants is a consulting, training, and research institution specializing in productivity and quality improvement through people. Founded in 1987, PQM Consultants strongly believe that the key to our success is our total commitment in delivering value to our clients, based on integrity, honesty and openness.

PQM CONSULTANTS TRAINING PHILOSOPHY

PRACTICAL

We have designed all our training program to be practical and ready to be implemented in your organization. After going through our training program, you will be able to return to your organizations with knowledge and skills to perform improvement in your organization.

INSPIRING

We want to inspire our participants to apply what they have learnt into their work immediately. Providing knowledge is only the beginning. We believe it is important to inspire participants that they are able to bring improvement to their workplace!

ENJOYABLE

With decades of experience training thousands of professionals, we have learnt that keeping people engaged is very important in order to provide effective learning experience. Therefore, we designed our training to be enjoyable enough for you to absorb all the knowledge that will we share.
